## Year Party

As Jesse Franklin gave a few of his friends a delightful treat in the form of a little party Tuesday evening at the home of her parents, Mr. and Mrs. G. W. Franklin. The affair was quite informal and only seven couples being present but much enjoyed by each guest. The game of "Calcuttians" was played and it proved wonderfully interesting. Harold Trott was the successful prize winner, it being one of Gilbert Parker's latest books. After the game light refreshments of chocolate and cake were served. This was voted as one of the most pleasant evenings spent by the younger set this year.

She entered the room on the arm of the groom while Miss Tot Foreman reared the strains of Mendelssohn's Wedding March. The Rev. J. M. ## Time to Put on Glasses

is when your eyes begin to feel badly, and when this feeling is not due to organic disease. If you wait or put on ill fitting glasses you may either lose your sight or weaken it. One cannot afford to trifle with the greatest gift of nature—perfect sight. I will test your eyes and fit each eye separately with the proper glass so your vision, if deflected from errors or refraction, will again be made perfect. Should the services of a physician or oculist be required I will frankly tell you so.

MRS. HELENA BLAU,

Young Milwaukee Society Woman.

Many thousand cured women have written to tell how Wine of Cardui bestows the blessing of health on every woman who takes it, rich and poor alike. Mrs. Helena Blau, No. 123 Seventh Street, Milwaukee, Wis., is one of the young women whom Wine of Cardui has rescued from a life of suffering. She writes:

Mrs. Helena Blau.

"Wine of Cardui is certainly 'worn out' women's best friend and I am pleased to give my experience with it. A few months ago I caught a severe cold, having been out in inclement weather, which settled all over me, particularly in the abdomen. I was in almost constant pain. I consulted a physician and took his medicine for a month and without any relief. I then decided I would try your medicine and it was a lucky day for me when I did so. I noticed a change in a few days and felt encouraged to continue taking Wine of Cardui, and my patience was rewarded, for in two weeks my pains had left me and I felt like a new woman."

The woman who has suffered from female weakness should do anything within reason to secure health. Wine of Cardui is the medicine that appeals to reasonable women—women who hold operations and cutting in horror—women who know that Nature is the best physician. Wine of Cardui gives women back their health by giving Nature a chance to build up the wasted and diseased tissue. Wine of Cardui regulates the menstrual flow and Nature, when relieved of the drains or of the poisons in the system, makes the functional organs strong and healthy again.

Any woman who is silently suffering untold pains because she is too sensitive to undergo a physician's examination and treatment can find no excuse for not securing relief when Wine of Cardui is offered to her. There is no publicity to deter her. She can take Wine of Cardui in the privacy of her home, with as much assurance of a final cure as though a dozen doctors recommended it. Many physicians do recommend Wine of Cardui to their patients.

Why not get a \$1.00 bottle of Wine of Cardui from your druggist today?

A million suffering women have found relief in Wine of Cardui.
